FOR IMMEDIATE RELEASE

OUR LADY OF LOURDES PARISH TO WELCOME THE RELICS OF SAINT BERNADETTE DURING HISTORIC NATIONAL PILGRIMAGE

Malverne Parish Selected as a Host Site for the 2026–2027 St. Bernadette Relics Tour – Journey of Grace

Malverne, New York – Our Lady of Lourdes Parish in Malverne has been selected as one of the host locations for the **St. Bernadette Relics Tour – Journey of Grace**, a nationwide pilgrimage that will bring the relics of one of the Catholic Church's most beloved saints to communities across the United States. The tour is organized by the Sanctuary of Our Lady of Lourdes in France and will visit approximately 180 Catholic churches, cathedrals, basilicas, shrines, seminaries, universities, hospitals, and other faith communities from September 2026 through August 2027.

The relics will begin their journey in Washington, D.C., at the Basilica of the National Shrine of the Immaculate Conception before traveling throughout the country, inviting the faithful to experience the message of Lourdes through prayer, hope, healing, and spiritual renewal.

Founded in 1927, **Our Lady of Lourdes Parish** has served the Malverne community for nearly a century. As the parish prepares to celebrate its **100th Anniversary**, hosting the relics of St. Bernadette provides a unique opportunity for parishioners and visitors alike to deepen their faith and commemorate this milestone through prayer and pilgrimage.

During the visit, pilgrims will have the opportunity to venerate the relics of St. Bernadette, participate in the celebration of the Eucharist, experience Marian devotions, receive the Sacrament of Reconciliation, and join in prayer for healing and spiritual renewal.

In 1858, the Blessed Virgin Mary appeared eighteen times to fourteen-year-old Bernadette Soubirous in Lourdes, France. Through these apparitions, Our Lady entrusted Bernadette with a message of prayer, penance, and hope that continues to inspire millions of pilgrims each year. Since that time, Lourdes has become one of the world's most significant places of pilgrimage and a beacon of hope for those seeking healing and a deeper relationship with Christ.

"Our Lady of Lourdes Parish is honored to welcome the relics of St. Bernadette during this extraordinary national pilgrimage," said Father Jim Stachacs, Pastor of Our Lady of Lourdes. "As we prepare to celebrate our parish's centennial, this visit offers our community a profound opportunity to renew our faith, unite in prayer, and experience the enduring message of Lourdes."

The St. Bernadette Relics Tour seeks not only to bring the relics to communities across America, but also to inspire a renewed spirit of evangelization, encourage pilgrimage, and strengthen the bonds between Catholics in the United States and the Sanctuary of Our Lady of Lourdes.

Additional details regarding the schedule of events, opportunities for veneration, liturgical celebrations, and parish activities will be announced in the coming months.
